

# UPDATE:

✓ **OUR SERVICE DEPARTMENT REMAINS OPEN**

✓ **IN-STORE SALES REMAINS OPEN**

## **COVID-19 EXPOSURE CONTROL, MITIGATION, AND RECOVERY PLAN SUMMARY**

### **PPE**

Our team is committed to ensuring the safety and well-being of our community, clients, and staff; therefore, it is required that any employee that is customer-facing will wear a mask.

### **Social Distancing**

We have designated areas in every department where clients would be inside the dealership to keep the 6' social distancing rules in effect. We have cleaning supplies to keep all areas appropriately sanitized for our clients and staff. We disinfect and clean every vehicle that enters and exits our dealership.

### **Sanitation and Hygiene**

All dealership employees are required to wear masks. Hand sanitizer with at least 60% alcohol is used and offered throughout the dealership for both clients and staff members. We have accessible trash and recycling bins located throughout the dealership.

### **Symptom Monitoring**

Every staff member is required to stay home if showing any cold/flu or Covid symptoms. If they are showing any Covid symptoms, they are required to take a Covid test and quarantine the state mandated time. Once they have taken a negative test and no longer show signs they may return to work.

**WE'RE OFFERING A SOCIAL DISTANCING SHOPPING EXPERIENCE OF YOUR CHOICE.**
